INTRODUCTION

1.1 Request of Services:

The City of Freeport is seeking sealed proposals from qualified contractors to provide contracting and construction services for 2025-12 – Heritage House Architectural and Design Located at 303 East Park Avenue. The requested services are more specifically described in Section 3 in the Statement of Work.

The City is soliciting competitive sealed proposals from general contractor/construction firms having suitable qualifications and experience providing services in accordance with the terms, conditions, and requirements set forth in this packet. This packet provides sufficient information for interested parties to prepare and provide submissions for consideration.

1.2 Public Information:

The City strictly adheres to the Texas Public Information Act¹ (Texas Government Code Chapter 552.001, et seq.) and all other governing statutes, regulations, and laws regarding the disclosure of Bid/Proposal information. Documents are not available for public inspection until after the contract is awarded. If the Submitter has notified the City, in writing, that the submitted document contains trade secrets or confidential information, the City will generally take reasonable steps to prevent disclosure of such information, in accordance with the Public Information Act. This is a statement of general policy only, and in no event shall the City be liable for disclosure of such information by the City in response to a request, regardless of the City's failure to take any such reasonable steps, even if the City is negligent in failing to do so.

The requirements of Subchapter J, Chapter 552, Government Code, may apply to this request for proposals and the responding company agrees that the agreement can be terminated if the company intentionally fails to comply with a requirement of that chapter. The vendor or company acknowledges that the solicitation is part of any resulting agreement of the solicitation.

1.3 Type of Agreement:

All responding Submitters are hereby put on notice that if awarded the contract for procurement of goods or services, the City is entering into that agreement in its governmental capacity, and not a proprietary capacity.

The selection of a responding company or an award of an agreement to a responding Submitter does not guarantee that the City shall in fact purchase goods or services, or enter into an agreement, or guarantee any particular volume use, number, or sales.

Submitters should be aware that the contents of the successful proposal will become a part of the subsequent contractual documents. This contract shall commence upon approval by the City Council. The contractor may be required to procure permit licenses, which are to be issued by the City; however, permit fee expenses shall be waived.

Failure of the Company to accept this obligation may result in the cancellation of any award. The City will have the right to seek the services of alternate vendors under the conditions that the contractor is not able to perform the work specified.

¹ <https://statutes.capitol.texas.gov/Docs/GV/htm/GV.552.htm>

By submitting a packet, the Submitter further warrants and represents that he/she has become fully acquainted with the conditions, facts, and circumstances relating to providing the services/products required under this project. The failure or omission of the Submitter to acquaint himself/herself with existing conditions, facts, and circumstances, shall in no way relieve him/her of any obligation with respect to his/her proposal and any ensuing agreement.

Each submitter acknowledges that the City has made a reasonable attempt to provide them with relevant data. The Submitter, therefore, waives any right of voidance of the agreement based upon any expressed or implied warranty or representation that the pricing or activity data provided discloses all requirements, risks or exposures known to exist in the provision of the services being requested.

1.4 Clarifications, Addendums & Interpretations:

Proposer shall promptly notify the City of any omissions, ambiguity, inconsistency, or error that they may discover upon examination of this packet. The city shall not be responsible or liable for any errors or misrepresentation that result from the solicitations which are inadvertently incomplete, ambiguous, inconsistent, or obviously erroneous.

The City may, in its sole discretion, respond in writing to written inquiries concerning this packet. Only the City's responses that are made by formal written Addenda will be binding on the City. Any verbal responses, written interpretations, or clarifications other than Addenda to this RFP will be without legal effect. 1.5 Selection Process:

The City may make the selection of the Contractor on the basis of the packet initially submitted, without discussion, clarification or modification.

After submission of a packet, but before final selection of a Contractor is made, the City may permit a Submitter to revise their submission in order to obtain the Submitters best and final submission. In that event, representations made by the Submitter in its revised submission, including price and fee

quotes, will be binding on the Submitter. The City is not obligated to select the Submitter offering the most attractive economic terms if their submission is not representative of the best value for the City as set forth in Section 252.043 of the Texas Local Government Code, as determined by the City.

If only one submission is received in response to the Request for Bid/Proposal, a detailed cost submission may be requested of the single vendor. A cost/price analysis and evaluation or audit may be performed of the cost submission in order to determine if the price is fair, reasonable, and provides the best value for the City.

The City shall select the submission that offers the "best value" for the City based on the published selection criteria and on the ranking evaluation criteria set forth in the packet – in accordance with Chapter 252 of the Texas Local Government Code and with the City's purchasing policy. Any submissions that are not submitted by the Submittal Date, or that are not accompanied by the number of completed and signed originals by this packet, will be rejected by the City as non-responsive due to material failure to comply with advertised specifications.

If the document(s) is incomplete or otherwise fails to conform to the requirements that are requested, the City alone will determine whether the variance is so significant as to render the packet non-responsive.
