Re: BASF Fiber Optics Cable Routing on Second Street in City's Utility
Easement

On July 17, 2017 the City Council of the City of Freeport approved to the BASF Corporation the right to use the utility easement of a portion of the Second Street described therein for the purpose of installing and maintaining a fiber optic communication cable connecting its ammonia terminal project at or near Port Freeport with its plant site located at 602 Copper Road.

Please find attached two Licenses to use Right of Way, retain one for your records and return one signed copy to the City of Freeport.

Sincerely,

Delia Munoz
City Secretary
