DEBRIS PICKUP

Hurricane Beryl storm debris removal process has been operating since July 15, 2024.

The first pass of vegetative debris and C&D material pick up has been completed.

Residents are encouraged to bring eligible storm debris to curbside for pick up.

The final pass for curbside pickup is in progress. Schedule completion on final pass is August 9, 2024.

Thank you,
Lance Petty
City Manager
